2020 Organic Christmas Newsletter

A very happy 2020 Organic Christmas and a merry New Year from Sonia, Linda, Matt, James and Clemency.

We're writing to let you know about our veg and fruit delivery dates over the coming Christmas period. We hope it is as peaceful and relaxing and safe as it can be for you all.

NO DELIVERIES BETWEEN CHRISTMAS AND NEW YEAR

As usual, we will not deliver any veg boxes between Christmas and New Year. So unless you have put your order on hold, every customer (* except monthly) will receive a final delivery of the year to cover the Christmas period, as follows:

Weekly customers

- If you normally get your box on a **Tuesday**, we will deliver on:
TUESDAY 22ND DECEMBER
- If you normally get your box on a **Wednesday**, we will deliver on:
WEDNESDAY 23RD DECEMBER

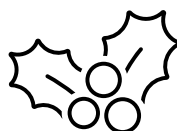

Fortnightly customers

Fortnightly customers will receive a delivery—even if it is not your usual week—as we will not make any deliveries between Christmas and New Year. Fortnightly customers will receive approximately half the quantities listed in the table below. Please note: Fortnightly boxes will not include garlic and lemon, so if you would like these please order as 'extras'. (See 'Ordering extras' below.)

**** Monthly customers***

Important: If you have a monthly box you will **not** receive a delivery before Christmas unless you order it as extra. We will deliver your next monthly box on the first Tuesday/Wednesday of the New Year. Please contact us if this is a problem.

Please turn over for contents of your pre-Christmas 'double boxes'!

Ordering Extras!

From avocados to walnuts, you can add **extras** to your pre-Christmas delivery for your Christmas festivities—or if you need extra veg to carry you through the holidays. Simply complete and return the **Christmas Order Form** on the rear page (also downloadable from our website). Please get in touch if you fancy something that isn't listed.

Our Christmas Presentation Box

Once again, we are offering our popular **Christmas Special Box!** Presented in a traditional wooden fruit crate, it also makes a lovely sustainable gift. For £48, you will receive a seasonal selection of 22 different certified organic fruits and vegetables—perfect if you're cooking for vegetarians. Planned contents include dates, cherry tomatoes, cucumber, salad pack, avocado, kiwi, pineapple, peppers, celery, clementines, banana, grapefruit, mushrooms, sweet potato, squash, courgettes, mango, apples and mixed herbs.

Use the **Christmas Order Form** on the rear page to place your order (you'll find the option at the top of the form).

Order Deadline

Once again, I need any extras or any other changes to your regular order no later than **Tuesday 8th December**. Fill in the **Christmas Order Form** on the rear page and return it to us by post. Alternatively, send me an email with your order at info@coleshillorganics.co.uk or call **01793 861070**. Thank you in advance for your cooperation.

Any extras will be delivered with your Christmas boxes. Feel free to ask about any extras not on the list—we'll do our best to source them.

Restarting Deliveries in 2021

Finally, we will restart your deliveries on either **Tuesday 5th January** or **Wednesday 6th January 2020**, depending on your normal delivery day. If you are a fortnightly customer, please note this is an 'even' week.

If you have ANY queries or concerns about the above, please call me on **01793 861070** or send me an email at info@coleshillorganics.co.uk.

Thank you so much for your support over the last year. Have a wonderful Christmas,
